Well, that's Christmas over for another year; how was it for you? If it was anything like mine, you'll be wishing they'd abolish it altogether. The season of goodwill to all men, eh? Not as far as I was concerned, mate. Not one invitation for dinner on the 25th arrived at the palatial Club HQ for yours truly – must've been delayed in the post, I guess. Christ, not even my Christian, non-smoking, teetotal, vegan, Buddhist sister invited me over this year – and boy, does she know how to party!

No, I spent Christmas Day all on my lonesome this year. You should try it sometime – it's fun. Honest. I had a proper tree too. Actually it was the last one they had in the shop and, sure, it didn't have any foilage – but then I didn't have to worry about cleaning up all those spiky needles, did I?

Anyway, dinner was nice. Really. I don't go in for turkey, to be honest – they didn't have any left at the butcher's anyway, but I hate turkey. No, I thought I'd break with tradition this year, so I settled for something else. Cheese and tomato pizza, to be precise. With Paxo, of course.

So there I was in front of the telly for the Queen's speech at 3 o'clock; my party hat on, a can of warm lager in my hand and the crusty edges of the pizza by my side. You know, I can relate to the Royal family and their 'anus horribilis', my piles have been killing me all bloody week...

Anyhow, the speech over, I settled down to watch the box; then disaster – a power cut. I couldn't believe it – I was having such a great time time until that happened. Funnily enough, my neighbour's didn't seem to have the same problem – I mean, I could hear raucous laughter from behind their front door, and when I peeked through the letterbox they were having a roaring party. They must have thought I was going to stay with relatives or they would have invited me. I tried knocking, but then it went all quiet for some reason – my neighbours, eh? They're completely bonkers, believe me.

Still, I'm not the sort of man to let something like that get me down, so I pulled out my pen and pad and decided to draw up a list of New Year resolutions. First up: I must start paying my electricity bills on time. Err, that's about as far as I got... my pen ran out and it was too dark to find another one.

Drastic action was called for – I gathered together all the bottles of booze that I could find in the flat and necked the lot. Then I fell asleep. I woke to find myself covered in vomit with a splitting headache and my phone ringing. "You're late for work," screamed a voice at the other end. "Get your arse into the office now!"

Confused, I looked around to see that I'd inadvertently drunk two bottles of Domestos, a pint of lighter fuel and a tin of Brasso.

Well that was the end of my festive season. Of course, I was annoyed that I'd missed out on all those parties that I would have been invited to over the New Year. I just hope everyone managed to have some fun without me. Not easy, I know!

Anyway, it's 1994 (the Year of the Bottom, or so I've been told) and I'm determined to carry on in my quest to find the most gorgeous girls, the naughtiest confessions, the funniest stories and the spunkiest sports for Club. Some things never change. And remember, an Ed isn't just for Christmas, he's for life.

Happy New Year to one and all. ♣

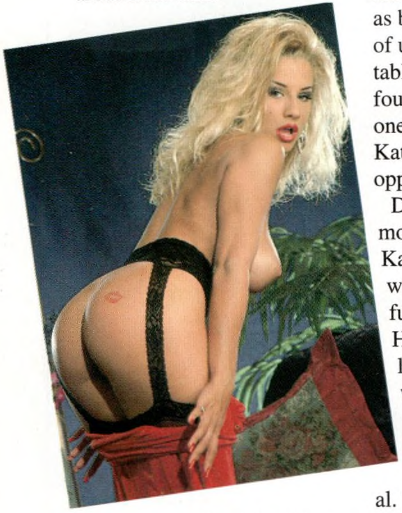
UNPOPULIST

Ten things Sunday lunchtime drinkers do that really piss you off...

1. Get served first 'cos they call the barman by his first name.
2. Go up and down on their heels and jingle their change.
3. Hold their half-pint pots by the handle.
4. Eat all the roast potatoes and cheesy biscuits.
5. Discuss their cars in a loud voice.
6. Refer to their wives as "her indoors" or "she who must be obeyed".
7. Wear patterned cardigans they got for Christmas.
8. Get pissed on two halves of Carling Black Label.
9. Shout and do Goon impressions in the car park.
10. Never go to the pub at any other time than a Sunday lunchtime, thank God! ♣

BLONDE AMBITION

I've always preferred blonde-haired girls to any others, and judging by the last issue of Club (Vol 22 No 12), you agree with me too!



Cover girl Polly first caught my eye with her long, golden hair tumbling down around her slim shoulders, but sadly there was no sign of her inside. However, you redeemed yourselves for this glaring omission *(Gee, thanks... – The Ed)* by showing the ample charms of Tina, Stephanie, Maria, Sonia, Diana, Michelle and Sarah – all of them blonde and absolutely beautiful.

Sarah, in particular, was my favourite – she's the best centrefold you've ever had. She's got just the right mix of sensuality and sexiness to make her totally irresistible... well she is to me anyway!

Keep up the good work – and let's see just as many beautiful blondes in the next issue. *– Peter, Lincoln*

DINNER SERVICED...

My girlfriend Belinda works as a secretary in a busy office in town and last month – with the festive season in full swing – they held a Christmas party in a pub just around the corner from their office. I had been invited along as Belinda's partner, although I wasn't really looking forward to it. I thought that all her workmates would be boring pen-pushers, but I was in for a pleasant surprise...

The evening started with a meal and it was then that I realised things wouldn't be as bad as I had thought. All of us were split up across tables of half-a-dozen and I found myself at the end of one table next to a girl called Kathryn, while Belinda sat opposite me next to her boss.

During the meal, I spent most of the time talking to Kathryn and from where I was sitting I had a real eyeful of her ample cleavage. Her large boobs were barely contained by the crisp, white blouse that she was wearing and I could see her nipples poking through the thin material. Throughout the meal, Kathryn's skirt slowly rode up her thighs and by the time dessert was served, I had a priceless view of her stocking tops and suspender belt. I was finding it pretty difficult to control my wandering eyes and as the wine flowed freely so the sexual innuendoes started. I was beginning to get the feeling that Kathryn was interested in more than just the food as her flirting became increasingly outrageous.

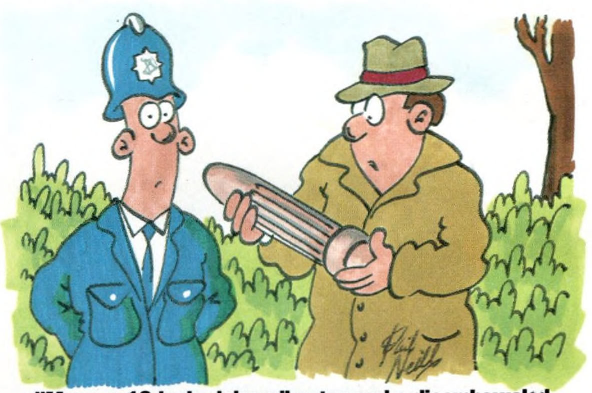
Then as we were waiting for coffee to be served, I felt a hand on my leg under the table. It squeezed my knee, then started to move up the inside of my thigh before coming to rest on my crotch. I was completely lost for words, but tried to look as if nothing untoward was happening, although I could feel my cock getting hard. I glanced at Kathryn who had a large grin on her face, but she just carried on talking as normal. She deserved an Oscar for her performance!

Then I felt my zip being pulled down and a hand slipped inside my boxer shorts. Kathryn managed to wrap her hand around my shaft and started wanking me. Her fingers occasionally darted down to my balls and she'd give them a rub before rolling them around between her fingers. Throughout all this, she was engaging me in straight conversation – I couldn't believe it!

I could soon feel myself starting to get worked up, but there was no way that I could let it show; not with Belinda sitting right opposite me! I desperately wanted to return the compliment, but that was out of the question.

I was beginning to wonder how long I could keep this up, when Belinda suggested that we move through to the bar for some after-dinner drinks. Kathryn released her grip on my cock, then got up and walked through to the bar with Belinda. "I'll follow you through in a minute," I stammered, sitting there with my prick poking out of my trousers under the table. As soon as the coast was clear, I zipped myself up and made a quick dash for the gents.

As I approached the door, I heard a hiss from behind me and turning around I saw Kathryn standing there holding the door to the ladies' loo open, beckoning me in. I scampered inside and we made a dash for one of the vacant cubicles. Kathryn locked the door behind us and pushed me up against the door, dropped to her knees and frantically undid my belt, pulling my trousers



"Mmm, a 12-inch, delux vibrator and a disemboweled female body. I'd say she's been thrilled to bits..."

BREATH EASY!

Wanna have a drink and still drive your car? No problem, just read on...

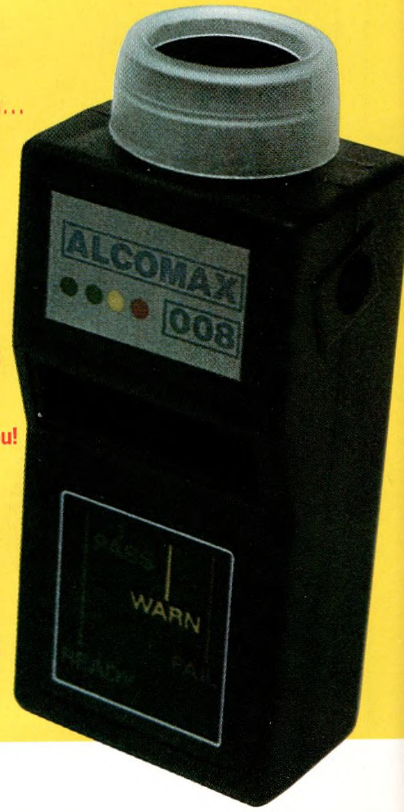
Picture the scene: you're out with your mates on a Sunday afternoon, you've had a few drinks then you step into your motor and drive home... thirty seconds later — Thwacckk!

Yes, you brand new GTi is halfway up a tree, your legs are wrapped round your neck, you're picking the windscreen out of your face and you've completely ruined those nice new trousers.

And we haven't even mentioned the poor old family of five you've just splattered against a wall!

Then there's the embarrassment of being fingerprinted and charged, then having to pay off a huge fine as well as cough up for the price of five coffins. Worse still, you'll get a right old earful from your missus when she catches you!

Yes, drinking and driving isn't a great idea, but what can you possibly do to avoid such dire consequences if you fancy a drink but don't want to give all your hard-earned to a miserable old taxi



and boxers down to my ankles. I looked down to see Kathryn's wet tongue moving towards my swollen prick and my knees almost gave way under me as she started to flick her tongue across my bell-end.

She licked her way down the underside of my shaft, until she was greedily nibbling and sucking my hairy balls. I ran my fingers through her long hair as she gripped the base of my shaft and guided my length into her mouth. The next two or three minutes were heaven as she brought me to the point of orgasm. I knew I wouldn't last long and my contented groans were a sign to Kathryn that I was about to come in her mouth. Her reaction was to start sucking even harder, gently squeezing my balls at the same time until my hips jerked as I shot a thick wad of come down her throat. Kathryn sighed as she swallowed my load, then ran her tongue around my shiny helmet to ensure that she got every last drop.

Kathryn stood up and faced me. "C'mon, Andy," she purred sexily, kissing me hard on the lips, "let's see what you can really do." I pulled her skirt up to her waist, revealing sheer black stockings and suspenders, then eased her lacy panties down to her ankles. Kathryn sat down on the toilet seat

driver? Easy — get yourself a new drinking buddy in the shape of a handy little ALCOMAX.

For just thirty quid (that's about 20 pints of lager — or four if you drink in Soho) you can buy peace of mind and reduce your chances of getting nicked by the boys in blue.

The ALCOMAX is a handy little gadget that plugs into the cigarette lighter socket in your car. And by simply blowing into the nozzle it will tell you if you're fit to drive or not.

Their domestic bliss is thrown into chaos when their daughter Sharon announces she's pregnant and shock waves reverberate throughout the family and surrounding neighbourhood. She tells her parents and friends that the father is a handsome Spanish sailor, but is it just coincidence that her best friend's father leaves his wife at the same time that the news is made public?

Direction by Stephen Frears *(Accidental Hero)* gives this film a lavish feel despite the small European budget and comic performances all around make this a worthwhile watch.

The I.R.T. in question is the Big Apple's equivalent of London's Underground, and this debut feature from African/American filmmaker Leslie Harris follows the life of 17-year-old Chantel as she struggles to graduate from college and become a doctor.

Funny, touching and depressing in equal amounts, this film was recently premiered on Channel 4, however the soundtrack alone (Public Enemy, Third Bass, Ice Cube) makes this worth a second viewing.

Michael Douglas plays D-Fens; a white, middle-class worker who snaps while in a traffic jam one morning, abandons his car and goes on a violent rampage through Los Angeles.

Acquiring a fearsome arsenal of weapons on the way, it's Robert Duvall – a cop on his last day of the job – who figures that Douglas is the missing link in an escalating chain of violent events and attempts to stop him. Brilliant direction by Joel Schumaker *(Die Hard)* and smart performances from Douglas and Duvall make this a provocative and spine-tingling ride that rips the heart from the American Dream.

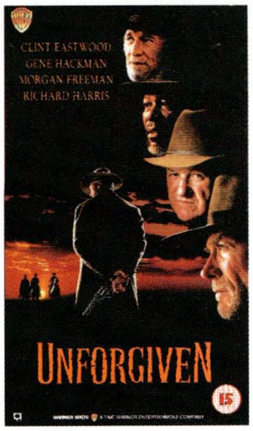
VIDEO OF THE MONTH
Title: Unforgiven
Certificate: 15
Warner Home Video

Universally acclaimed as the finest Western ever made, it's hard to find any fault with this film that deservedly earned Clint Eastwood Oscars for Best Picture and Best Director.



Clint plays William Munny, a former cold-blooded killer and train robber, who laid down his gun for a quiet life on the farm. However, the harsh realities of life in the 1880s have brought his family to rock bottom and an offer from The Schofield Kid, a cocksure young bounty-hunter, brings the hapless hog farmer out of retirement.

He soon finds himself caught between his new self and what he used to be, and it is during the ensuing struggle of personal conflicts that he calls upon the darkest elements of his personality to get him out of debt. A supporting cast that includes Gene Hackman, Morgan Freeman and Richard Harris easily ranks this film alongside any of the classic Leone trilogy (i.e. *A Fistful of Dollars, For A Few Dollars More* and *The Good, The Bag and The Ugly*) and is a compulsory addition to any self-respecting film buff's library. Believe the hype...

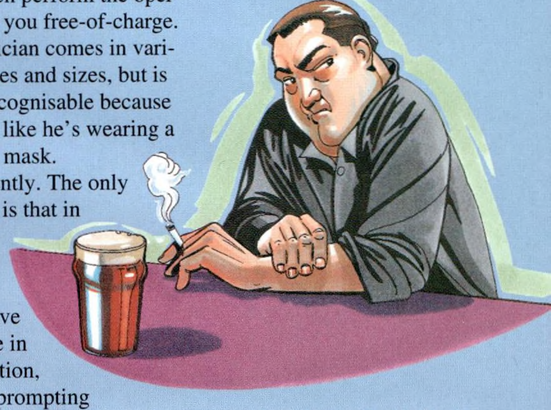
CLUB INTERNATIONAL

GUIDE TO

Fighting goes on in every pub, club and high street in the country – but how do you spot the men behind the fists? **Stan Dincount** investigates...

The Optician

The most common fighter in the UK, The Optician is particularly interested in other people's eyesight. "What are you lookin' at?" he'll ask at the slightest opportunity. He has strict views on your field of vision, and believes you would be able to see better if your nose was flattened to the thickness of a branflake. He'll even perform the operation for you free-of-charge. The Optician comes in various shapes and sizes, but is easily recognisable because he looks like he's wearing a stocking mask. Permanently. The only problem is that in order to identify him, you'll have to glance in his direction, thereby prompting him to ask: "What are you lookin' at?"



There are three things to avoid when answering this question...

a) Never mumble "Nothing". The Optician will then reply, "Who are you callin' nothin'?" And you will find yourself removing his head from up your nostril quicker than you can say 'casualty'.

b) Don't say, "Your face. You know, in this light you're really rather attractive in a brutish Brandon-esque kind of way". The Optician thinks flattering is something you do with a sledgehammer. And besides, he's proud of being incredibly ugly.

c) Never snort and say, "You, you big jellyfish. You couldn't scare a mouse with a gut full of amphetamines if you jumped out in front of it dressed as a tomcat and

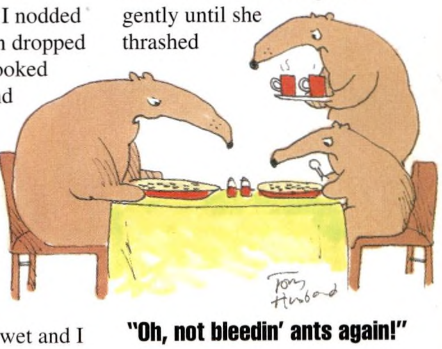
and spread her legs wide, dipping a finger inside her moist pussy and bringing it up to her mouth. "Mmmm," she moaned softly as she licked it, "very sweet. Wanna try some?" I nodded appreciatively, then dropped to my knees and hooked both her legs around my neck.

As my tongue came into contact with her pussy she moaned out loud and clenched her thighs tight around my head. Her cunt was very wet and I lapped up her juices, savouring the musky taste. I started to wiggle the tip of my tongue around her labia, gripping her hips with my hands and then pushing my tongue slowly inside her pussy. She tasted lovely and I could easily have stayed there all day; working away at her cunt and bringing her to orgasm after orgasm. She was moaning even louder as I transferred my attentions to her clitoris, sucking on it gently until she thrashed



"Oh, not bleedin' ants again!"

FIGHTING

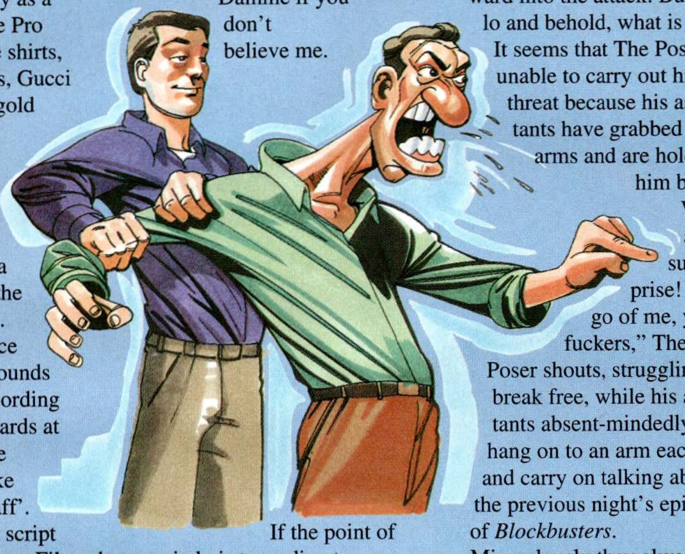
shouted 'I want my dinner!'" Despite what your father told you when you were a lad, the only way to defeat a bully isn't to stand up to him, it's to run like hell. Which is precisely what you should do the moment you make eye contact with The Optician.

The Pro

The Pro is the nastiest of all the fighters. Get in a scrap with him and you'll be looking at a job propping up a motorway flyover. Middle-aged and bulky as a jumbo jet, The Pro wears Lacoste shirts, bleached jeans, Gucci loafers and a gold Rolex. He is tanned, because he has just come back from visiting a colleague on the Costa Del Sol. The Pro's voice is so deep it sounds like a tape recording played backwards at half-speed. He says things like 'blag' and 'gaff'. He could be a script writer for Euston Films, but he isn't – he is a Pro. And if you have just walked into a strange pub and given him an eyeballing, then the chances are you have already been marked as a "strange face in the manor". If you also happen to be tallish with short hair and large feet, then you are in big trouble. Because The Pro is a wee bit paranoid about such things.

The Karate Kid

The whole point of martial arts is that using it means the little man can beat the big man, right? Wrong. Take a look at Brian Jacks, Chuck Norris or Jean-Claude Van Damme if you don't believe me.

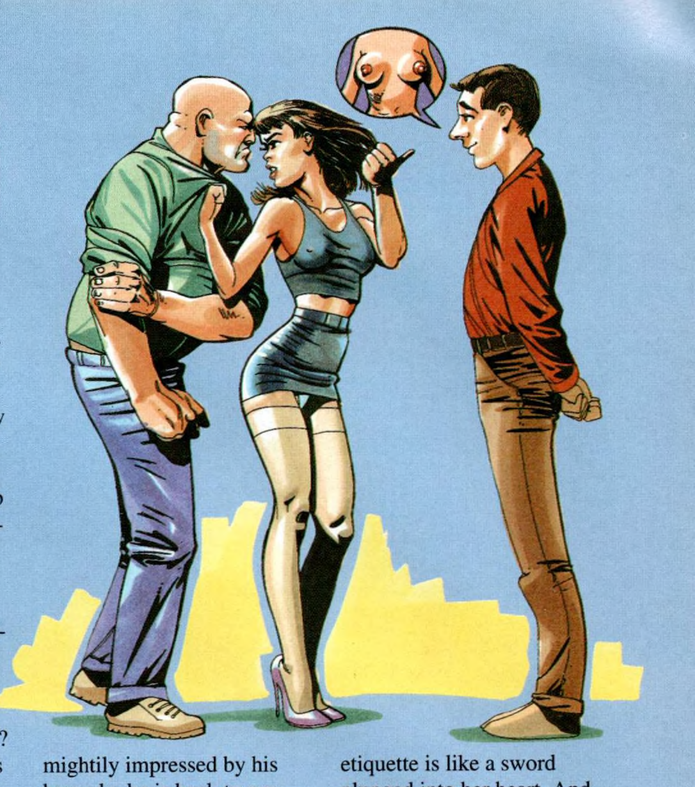


If the point of judo is to re-direct your opponent's strength so that it works against him, how come judo black belts are always blokes who can do more press-ups with their eyelashes that you or I can do with our arms? Don't be fooled by the Karate Kid then, he looks like Desperate Dan because he's a third Dan.

Of course, the Karate Kid is quick to point out that the martial arts are not just a fighting style, but are also a religious system of disciplines which teach the follower how to achieve inner mental tranquillity. The fact that they also teach him how to remove a windpipe with his little toe is immaterial. Unless you happen to be the poor sod he's just caught staring down his girlfriend's cleavage.

The Poser

The Poser realises that the essential point about fighting is to impress everyone with your courage and manliness, without actually getting hurt. To this end The Poser is always accompanied by a couple of assistants. His fighting technique is simple. He waits until some ancient old tosser with less teeth than a ten-year-old chainsaw comes within fifteen feet of him, then yells "You're the dirty bastard that touched up my bird!" Having got everyone's attention he now throws himself backwards into his two assistants and screams, "I'm going to fucking kill you, you pervert," then attempts to rush forward into the attack. But, lo and behold, what is this? It seems that The Poser is unable to carry out his threat because his assistants have grabbed his arms and are holding him back. What a surprise! "Let go of me, you fuckers," The Poser shouts, struggling to break free, while his assistants absent-mindedly hang on to an arm each, and carry on talking about the previous night's episode of *Blockbusters*. Miraculously they always seem to restrain their friend. Frightened by the noise and attention the old man leaves. "Yeah, that's right, leg it you gutless wanker," The Poser shrieks. Thirty seconds later, his job done and everyone mightily impressed by his bravado, he is back to normal again, happily discussing the new peach-coloured bathroom suite he's just had fitted.



Edna Egg-On

Edna is not a fighter in the strictest sense, but she probably starts more brawls than any group of soccer casuals. Going into a pub where Edna is propping up the bar is about as safe as walking in the Shed at Chelsea and shouting "Coooee! Is that the gay and lesbian section?" You see Edna, with her spandex-leggings, visible panty-line, tab end superglued to her lower lip, and skin like pebble-dash, may not look very genteel, but she makes Barbara Cartland look like Miss Whiplash. The slightest departure from etiquette is like a sword plunged into her heart. And such a wound can be avenged in only one way – her boyfriend must beat the crap out of whoever is responsible for it.

Edna Egg-On is amazed by her boyfriend's inability to spot what's going on. Luckily though she is not afraid to point it out to him: "See that? That bloke's got a dirty hankie, and he's eating his peas off his knife. Errr, it's making me feel sick. Are you going to do something about it? If you were a real man you'd put a stop to it. My dad would never let a bloke do that in front of my Mum. But he was a proper man, my Dad, not what you are... Brian, Brian! Calm down, luv. Well, aren't you going to give him a kicking while he's down there?"♣

around on the seat as an orgasm pulsed through her.

She was making so much noise that I was worried we'd be heard outside the toilets, but then her body relaxed and she fell forward, leaning over me. We held that position for a few minutes, recovering our breath until Kathryn sat back up and I straightened myself up to face her. She pulled me closer and we kissed passionately before she announced that it was my turn to sit down and directed me onto the toilet seat.

I sat there and watched as Kathryn unbuttoned her blouse leaving me gasping at the sight of her gorgeous breasts, barely covered by a half-cup bra. She squatted above me, grabbing my prick at the base and then

PROBE!

This month we poke our nose into ladies' armpits...

Never afraid to dodge the hot topics of the day, Probe! gets in a sweat on the steamy subject of ladies' armpit hair. Should your sheila shave what shoots from under her arms or leave her pits looking like a raven-coloured rain forest? Most men prefer women without two more minges poking out from their pits, but the girls are less impressed...

"You fellas moan enough about taking a razor to the relatively smooth surface of your chin, so imagine what it's like running a blade over something with more creases than a pile of poppadoms," said a ladies armpit-shaving insider yesterday. "Besides," she added, "they make your pits look like sheep's fannies."

Among the famous females who leave their undergrowth intact are Madonna, Nena (of *99 Red Balloons* fame) and, er... Sinead O'Connor. Probably.

We rang Sinead to find out why she leaves her armpits looking like a yak's arse (allegedly). "I'm sorry there's nobody here by that name," said a spokesman close to the cropped superstar yesterday. "Now piss off and stop bothering me, I'm on nights." ♣

SHE'S ALL YOURS!

Lucy

Photographs by Jack Harrison

It's my turn to get behind the camera this month, snapping some sexy shots of my good friend, Nikki. As you can see, she's a real natural and I'm sure that she could have even taught me a thing or two about posing nude!

I don't know whether it was the heat from the lights or Nikki's seductive poses – but it certainly got very hot in the studio. Pretty soon I had to lose a layer of clothes, then another, then another... By the end of the shoot I had on less than Nikki!

I had a great view of Nikki's curvy bottom through the viewfinder and I took some fantastically sexy photographs – I hope you guys like them! As you can imagine though, I felt so turned on watching Nikki wiggle her cute bum in front of me that I soon forgot about snapping away and joined her on the bed. I slowly ran my fingers over her skin – just to see if it felt as smooth as it looked – and, well, one thing kind of led to another...

Anyway, let's just say that things got pretty steamy, so much so that I could hardly see through my camera lens!

LETTERS TO Lucy

Dear Lucy,
We're a bunch of squaddies serving in Bosnia, and after seeing your pictures in Club, we thought we'd write in with a request...

We're all sick of seeing bloody camouflage gear out here (green and grey is very much in fashion this winter, as you can imagine!), so how about brightening up our barracks and mess by sending us over some signed photographs? Of course, if you're ever over in Eastern Europe, drop in and see us – you'll be guaranteed a very warm welcome! – *Davy, Pete and Ian, BFPO 547*

Thanks for the invitation, lads! It's always nice to get mail from our squaddies abroad. I've sent a load of signed photographs with my best wishes– and some rather special naughty messages too. Happy reading!

Dear Lucy,
I have to admit that I don't buy Club very often; but I do sneak a look at my boyfriend's copy when he's out at work!

I couldn't believe my eyes when I first saw you in the magazine, you looked absolutely mouthwatering. Your figure is so curvy and I've often fantasized about kissing my way down over your smooth body, lingering over your sweet-looking pussy and licking between your legs until you throw your head back as an orgasm pulses through you.

To be honest I've never had lesbian feelings before, although I don't think I'd be able to stop myself if I ever came face-to-face with you, Lucy! How about it? – *Patricia, Wrexham*

Oooh, I'm very flattered, Patricia – I love getting sexy offers from other girls — it's so naughty! As you can see from the pictures, a little lezzie love really gets me going — especially when it's a Club reader I've got between my thighs. I love the

feeling of having another woman run her wet tongue over my breasts, sucking hard on my sensitive nipples, before moving down and flicking her tongue on my swollen clitty. So anytime you're in London just give me a call and we'll share an orgasm or three...

Dear Lucy,
The highlight of each month for me is when the new issue of Club arrives at the newsagents – I can hardly wait! I lie awake at night fantasizing about what you will be wearing – and I'm never disappointed!

I work as a waiter in a restaurant and my biggest turn-on would be to see you dressed up as a cocktail waitress. Those uniforms are very sexy, and I'm sure that you'd look absolutely incredible dressed in a tight, black skirt and frilly, white shirt with a silver tray, ready to serve all your adoring fans at La Lucy Eatery!

You wiggle your bum as you walk, a smile spread across your face, then you stand up on a table and begin to peel off your costume. We're all applauding loudly as you strip off, then once you're naked you announce: "Anyone for dessert?" Guess who'd be first in line for seconds?! – *Liam, Belfast*

...Or even thirds, Liam! I have a very big appetite too – and not just for food. I'd be lying across the table, my legs parted and my hand down between my pussy lips rubbing at my aching clitty, slowly building myself up to an intense climax. I don't think I'd be able to stop myself from easing a finger inside my sticky hole. Mmm, tasty, huh?

In fact, I liked your idea so much that I've asked The Ed to arrange a special waitress photo shoot soon so keep your eyes peeled! – ***Lucy*** ♣

Dear Lucy,
I've been a great fan of yours ever since you first appeared in Club. My favourite set of photographs saw you dressed as a nurse; your curvy figure looked incredibly sexy dressed in a crisp, white dress and I think I needed treatment myself after seeing your pictures!

I think that leather looks very horny on a girl myself, and I'd love to see you dressed up in a pair of skin-tight leather trousers, with big biker boots... and little else! I've got the big motorbike, Lucy, do you fancy a ride? – *Pete, Leeds*

Vroom, vroom, Pete! I've always liked powerful things between my legs – and I quite like bikes too! – Lucy ♣

Girl of the Year results

We've counted the votes and juggled the figures (and there are some figures worth juggling!) and now we can reveal Club's Girl of the Year. We asked you to nominate your fave babe, and this year we had a bigger response than ever before!

In third place came stunning Simone from our October issue, whilst January's Rachel roared into second place. But the most popular by a huge margin was Lisa from Vol 22 No 6. She wins a repeat performance in this issue which you can find starting on the page opposite.

Of course they're all winners in our bed — I mean, book — but somebody has to come first. Unfortunately, it's usually us but we try to mop it up so nobody notices...

When we told 20-year-old Lisa from Tunbridge in Kent that she was the Club readers' favourite Girl of the Year, she couldn't contain herself. She came on the spot.

"Oooh, I'm sorry," she blushed. "But the thought of all those guys fancying

me is so exciting!" She's celebrating with a massive party where she'll be performing a saucy striptease. "I wish I could invite all the guys who voted for me," she said. "But there aren't enough Twiglets to go round!"♣

HELP... THE AGED!

'Hope I die before I get old' sang The Who back in 1965. Quite right, agrees **James T Bone**. And why not take some of these OAPs with you too...

Last month's festive season saw the reappearance of the sort of elderly musical non-talents that are quite rightfully ignored during the other eleven months of the year. As always, a sorry bunch of geriatric reprobates were packing them in at concert halls all over this sceptred isle as people's collective tastes went flying out of the window yet again. Among the worst offenders were Cliff Richard, Mud, Sweet, The Gypsy Kings, Bobby Vee, Wayne Fontana, The Moody Blues, Chas and Dave, The Kinks, **Gary Glitter** and, of course, Status Quo. Will we ever learn? Probably not...

EARTH DAY
PRES
CONCERTS FOR

The Disposable Heroes Of Hiphoprisy: Hip hop hooray!

- Perhaps I'm being a little harsh. Just because you're the wrong side of 40 doesn't necessarily mean that you should be confined to the scrap-heap; Van Morrison, Neil Young and Leonard Cohen all being worthy exceptions. But these three are mere spring chickens compared to **William S. Burroughs** who has just released a new album, *Spare Ass Annie*.

With backing music from **The Disposable Heroes Of Hiphoprisy**, the legendary beat poet/heroin addict/alcoholic/writer/actor and raconteur fuses spoken word dialogue with hip-hop rhythms to startling effect on such tracks as *Wrinkled Earlobes Are A Sign Of Impending Heart Attacks* and *Did I Ever Tell You About The Man Who Taught His Asshole To Talk?* And this comes from a fella who's just a few months short of his 80th birthday. Unbelievable.

- Fantastic Facts Number One: Did you know that 70s AOR supergroup **Steely Dan** were named after an elaborate dildo mentioned in Burroughs' novel, *Naked Lunch*? Of course, you did.

***William S. Burroughs: Lock up your grandmothers...**

- America's *other* favourite OAP, **Frank Sinatra** released his new album *Duets* last month with guest appearances from Natalie Cole, Luther Vandross, Tony Bennett and Bobo from U2 amongst others.

With re-recordings of some of his classic songs such as *New York, New York*, *The Lady Is A Tramp* and *My Way*, the album certainly sounds like a cosy affair evoking images of late nights spent in smoky studios. Imagine the disappointment then on discovering that Ol' Blue Eyes has hardly met any of his contemporaries and that all the duets on the album were actually recorded down the fucking phone line. Isn't modern technology just wonderful, eh?

Genitortures: This woman can seriously damage your health – if you're lucky!

- You'll be pleased to hear that Brit rockers **Status Quo** are bringing the world of fine china and rock music a step closer, with the announcement from Royal Doulton that they are to honour the band's achievements *(Eh? – The Ed)* by issuing limited edition character jugs of Francis Rossi and Rick Parfitt.

It's the first time that the china company have created caricatures of living artists since The Beatles and the pair of ugly mugs of the ugly mugs of Rick and Francis should set you back a cool ninety quid. Buyers will obviously require more money than sense...

Status Quo: Huge in china, apparently

- Watch out for the forthcoming tour this month by **Genitortures**, a bizarre American act that specialize in 'performance art'.

Singer Gen has been known to indulge in "ritual piercings and sub/dom role-playing" during their concerts. Which means that the singer should be revealing more than just her 36DD boobs. See you in the front row, gentlemen...

● **Marky Mark** has joined the likes of Cher, Jane Fonda and Cindy Crawford with the release of his *Form, Focus, Fitness* workout video later this month.

Despite his efforts to get accepted by the rap community and his protestations that he's 'from the street, man', it seems that the 22-year-old muscle-bound meathead has finally given up any chance of ever performing in front any self-respecting rap audience again with the release of this awful 60-minute video. Which is just as well really, if you ask me; 'cos he couldn't rap for toffee, he dances like an epileptic seal and he's about as hard as my little sister. So there...

Dina Caroll: The future Mrs James T Bone? You bet!

DINA CARROLL
SO CLOSE
The Videos

● Finally, soul singer **Dina Carroll** has just released a compilation video of her recent singles. *So Close – The Videos* features seven tracks in all; but most importantly, it gives you the chance to see the gorgeous Dina doing what she does best... looking *damn* sexy. Next month, I hope to announce myself and Dina's forthcoming engagement exclusively in these pages. Probably. ♣

romana

Photographs by Michael Moore

Five, four, three, two, one! We have lift off! Raunchy Romana is enough to send any guy into orbit. Christened Rosemary, she changed her name after seeing the Dr Who assistant played by Mary Tamm. "She was mysterious but sexy," says the 22-year-old from Rotherham. "That's what I want to be!" However, she doesn't main-

tain any mystery about her fabulous 38 inch tits. "I love rubbing my nipples till they poke through my blouse before getting on the train to work. Then I dream about the guy opposite licking them till my fanny turns to liquid honey. So if you've sat on my train, chances are I've been to bed with you already!" ♣

TV HEAVEN

The licence fee rises yet again this month, but is it really worth £86? It would be, says **Ray Cathode**, if this was a typical day's viewing...

7.00am, C4: The Big Breakfast

There's no better way to start the day than with a large helping of **Gaby Roslin**, lightly browned on both sides – yummy! The summer months have been the best with Gaby wearing the sort of revealing outfits that have had even Chris Evans looking cross-eyed!

9.55am, ITV: News and weather

A quick change of channels and it's good news all the way with **Fiona Armstrong**, the sexiest news reader since the young Angela Rippon. Leg fans will be disappointed though, but prepare for a ray of sunshine with Weathergirl, Sian Lloyd... a right Welsh rarebit!

10.35am, ITV: This Morning

Okay, okay... We admit that **Judy Finnegan** may not exactly be to everyone's taste, but her skirt has a habit of riding up her legs giving us an agreeable glimpse of thigh before the credits roll. One for fans of the older woman.

11.00am, MTV: The Fashion Show

It's time to go Dutch with **Simone Angel**, the only dish from Sky worth watching. With a pop career in the offing, we'll see more of sexy Simone on *Top Of The Pops*.

Clockwise from above: Melissa Bell, Lisa Walker, Katie Puckrick, Mariella Frostrup, Simone Angel, Ulrika Jonsson, Fiona Armstrong and Gaby Roslin

1.30pm, BBC1: Neighbours

The programme that launched Kylie onto an unsuspecting public is now essential viewing for fans of the female form. **Melissa Bell's** the sexiest Sheila in the surf and has just launched a pop career too. If she sounds as good as she looks, we're looking at a Number One!

2.20pm, ITV: Capital Woman

She's sassy, sexy and, erm, single. **Anneka Rice** may be estranged from her hubby – but she's still our favourite action woman. With a bum that can fill any television screen, the blonde bombshell can tackle us on the assault course any day...

3.30pm, ITV: News and weather

The second dose of the day from the classiest double act around – **Fiona Armstrong** and **Sian Lloyd**. It's funny how the news and weather seems better second time around...

6.00pm, C4: Teenage Health Freak

Lisa Walker may look like butter wouldn't melt in her mouth, but the former wild child has made the move from the clubs to the small screen... without losing any of her sex appeal. A quick poll in this office revealed that lovely Lisa comes top of the list of centrefolds we'd like to see in *Club International*. We're waiting for her call...

6.30pm, ITV: Gladiators

If you've ever wondered why the camera work is so unsteady on this programme, just tune in and watch **Ulrika Jonsson**. Admit it, if you had the shapely Swede running around in tight clothes right in front of you – would you have a steady hand? What do you mean, you wouldn't even have a hand free?

6.50pm, BBC2: Rough Guide To The World

The thinking man's Judith Chalmers, **Magenta De Vine** is the tourist guide that most men would like to take around the world with them. From the streets of Cairo to the promenade at Blackpool, the divine Ms De Vine would surely make your holiday go with a bang.

Dear Sonia,

I thought the pictures of you in last month's Club (Vol 22 No 12) were incredible. Given the chance, you'd be my ideal beach babe...

In my fantasy, we catch each other's eye in the beach bar. You flash me a smile, then head back to your secluded spot behind some rocks. The invitation in your eyes is irresistible and I follow you, eager to offer my oil-rubbing services.

You accept and I get straight to it, massaging the oil into your skin. My cock begins to harden as my hands follow the curves of your body, my fingers creeping down towards your pussy. Then you turn over, taking the bottle of oil from my hands and pour some into your own. "One good turn deserves another," you purr, easing down my shorts, then coating my hard-on in oil.

You push me onto my back on the sand and straddle my thighs, easing your

7.30pm, BBC1: Eastenders

There's only one thing worth watching *Eastenders* for... **Michelle Gayle's** gravity-defying boobs! Her recent hit single, *Looking Up*, could have been written about the camera angles we'd all like to see when Hattie comes on screen in Albert Square. Even that would be guaranteed to bring a smile to Ian Beale's face...

11.15pm, C4: The Word

The programme with more boobs than a Page 3 Girl's Convention has brought us the ample charms of **Danni Behr**, **Katie Puckrick** and **Amanda De Cadanet** and is essential viewing for fans of the female form. A new series promises exposes and revelations – so get yer kit off, Danni!

11.20pm, ITV: Dial Midnight

For blokes who prefer their ass with a bit of class, *Dial Midnight* is just the ticket. **Sam Norman** and **Anastasia Cooke** may both sound like Penelope

WIFE OF THE MONTH

Mrs Paul Young

Now we know what keeps Paul looking Young... his gorgeous wife, Stacey. The crooner's career may have struck a lean patch recently, but who'd care when your other half's as sexy as Stacey, huh?

I soon feel my orgasm swelling inside me and I increase the pace until we both come, then collapse on a pile on the sand. Life would certainly be a beach with you, Sonia – how about it? – *Ian, Kent*

I can't wait for summer if I'm going to get offers like yours, Ian! There's something about the warm weather that turns me into a right nymph. I must have made love in all the public parks in London last summer, so who knows what's going to happen when the sun starts shining? I can't wait! –***Sonia*** ♣

Keith on speed, but you can bet these two can tell a Chippendale from an MFI cabinet with their eyes shut.

11.40pm, ITV: **Raw Soup**

Try to imagine Paula Yates with brains, then add the sexiest pair of lips you can possibly imagine – and that's **Miranda Sawyer**,

presenter of *Raw Soup*. The only drawback about this seriously sexy girl is her accent, close your eyes and you'd swear Brian Glover was in the room with you.

2.00am, ITV: **The Little Picture Show**

What man wouldn't like to end the day tucked up in bed with **Mariella Frostrup**? The woman with the sexiest voice on television looks as good as she sounds... and that's pretty damn good! Drift off to sleep with the dulcet sounds of Mariella ringing in your ears and you're guaranteed sweet dreams... Goodnight! ♣

Annabel

Eighteen years old, pretty as a peach and naughty as fuck — what more could a guy want from a girl like Annabel? Yeah, alright, a right good snog and a three hour blow-job, but we can't have everything we want all

the time, now can we?

"I can, and I do!" laughed the sweet-looking Art student from Bath. "When I meet a boy I fancy I always put it to him straight: I just say to him, 'I want to get your body into bed and your dick in my mouth'. Well, there's no point beating about the bush is there?"

That depends on whose bush you're beating about, Annabel...♣

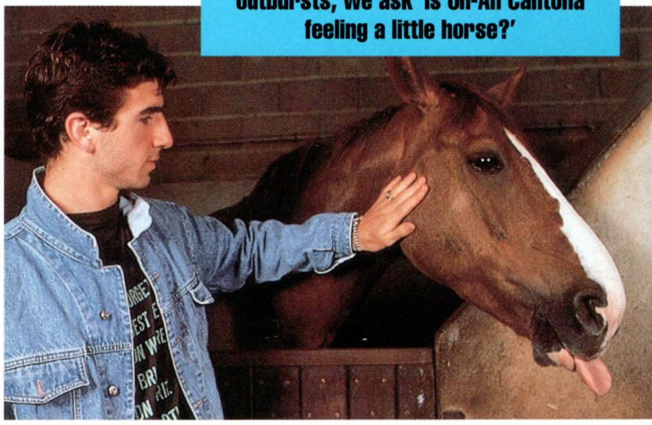
DEAD POETS SOCIETY

Poor prose from a Geordie gobshite, insane rantings from a psychotic Gaelic and misinformed comment from Club sports scribe, **Maurice Short**...

The Five Nations Rugby Championship will soon be upon us again giving armchair fans the chance to thrill to the tones of the immortal Bill McClaren. Unlike his football counterparts, McClaren doesn't attempt to impress the viewer with irrelevant statistics ('And it may be significant, Des, that a club managed by a red-headed Welshman hasn't won at Anfield on a Wednesday when there's an 'r' in the month and the moon is in conjunction with Saturn since April 1989. I wonder if that's an omen?') or engage in non-sensical 'technical' talk with his co-commentator ('Arsenal need someone to sit in the hole just in front of their left channel, Brian'). Instead he simply serves up a steady diet of favourite phases throughout the game: 'That one will have snow on it when it comes down', 'They'll be dancing in the streets of Galashiels tonight if he puts this one over', 'He's a wee powerhouse, this little man'. The great thing about McClaren though is that while other sports commentators engage in relentless hyperbole, he remains the master of understatement. Anyone who can describe fifteen forwards punching the shit out of each other as 'a bit of argy-bargy in the line out' has got to be a welcome relief from the hysterical gibbering idiocy of Jimmy Hill and co.

Paul Gascoigne: The bard boy of professional football

● Paul Gascoigne's recent attempts at a bit of poetry stirred up a good deal of interest in the press. Gazza's little ode dealt with his ligament injury, a subject which, for some reason, the likes of Shelley and Keats never tackled. The genial Geordie dumpling isn't the first footballer to indulge in a spot of versifying, however. That dubious honour must go to former Liverpool and Wales centre-forward John Toshack. The big man from Cardiff, who currently manages Spanish side Real Sociedad, was so prolific that he published a book of verse. Unfortunately, this was titled 'Gosh, it's Tosh' – which was a pretty accurate summary of the contents. My favourite was a poem dealing with a Liverpool away trip to Europe, which concluded with the immortal couplet: 'And now my knees have gone all weak/We're coming in to land at Speke'. Toshack, as is obvious, wasn't much of a poet, but then could Wordsworth have lead Swansea City to three consecutive promotions? Somehow, I doubt it...



Eric Cantona: After all his recent press outbursts, we ask 'Is Oh-Ah Cantona feeling a little horse?'

Magic Johnson: The six million dollar a week man...

● Football's other leading poetry buff is, as I reported a couple of months ago, Man United's Eric Cantona. The Frenchman, who looks more and more like the swarthy villain in a Tin-Tin book, is a fan of the French symbolist poets; a group so miserable and introspective they make Kenny Dalglish look like the Laughing Cavalier. On recent evidence it seems that Cantona has been badly affected by their mood, and in interviews sounds increasingly like one of those black-clad wankers who always seem to pin you in a corner at student parties and winge on about urban angst; when all you want to do is get pissed and snog someone in the coat pile. Recently, for example, Eric gave the following answers in a player profile in a French football magazine...

Interviewer: Where have you known happiness?

Cantona: At the summit of the world.

Interviewer: When?

Cantona: At my death...

Eric then goes on to describe how he saw 'The world naked in suspenders with a dollar bill stuck up its arse'.

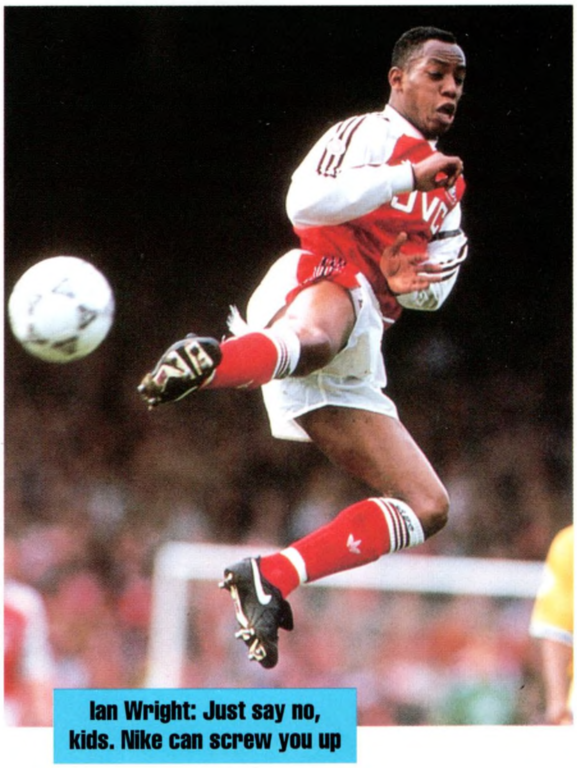
Call me old-fashioned, but in my day player-profiles confined themselves to 'favourite food' and 'best moment in football'. Admittedly, this was rather banal, but having seen what happens if you give a player like Cantona full rein, perhaps it was a wise idea.

● By the time you have read this at least half-a-dozen English cricketers will most likely have spent the night in a West Indian casualty department. The reason? Fast bowlers just seem to keep rolling off the Caribbean conveyor belt.

Ever since the emergence of Andy Roberts there has been a steady stream of lethal pacemen, mainly from the islands of Barbados, Antigua and Jamaica: Garner, Holding, Marshall, Clarke, Croft, Daniels – the list is seemingly endless. However, it is comforting to know that this was not always the case. During the early Seventies the West Indies were struggling to find anybody to lead the attack and settled on a raw Jamaican fast bowler with the remarkable name of Uton Dowe. So poor was his performance, that one West Indian newspaper suggested an addition to the Ten Commandments. 'Dowe Shalt Not Bowl'. And he never did again.

● It seems that a phenomenon even more deadly than the dreaded 'Curse of Short' is sweeping through the sporting world, causing stars everywhere to fall from the heavens. I speak of the 'Nike Kiss of Death'...

Yes, it's clear that the minute an international athlete appears in the sports shoe manufacturers' adverts, humiliating failure follows soon afterwards. First there was Sergei Bubka, the Russian pole-vaulter undefeated for what seemed like centuries. He did the deal, pocketed the cash and, hey presto!, failed even to register a jump in Barcelona.



Ian Wright: Just say no, kids. Nike can screw you up

Likewise Michael Johnson, sure-fire for the Olympic Gold medal, got Niked up and didn't even qualify for the final. And what about Ian Wright? Remember those 'Gary who?' posters that were plastered everywhere? Well so far the glorious Gunner has only scored one goal in 14 international appearances. 'Behind every great goalkeeper,' trumpeted the ad, 'there's a ball by Ian Wright'. Quite true. Unfortunately when he's wearing an England shirt it's usually well behind the goalkeeper – in the back row of the stands. And now England's rugby players have joined the Nike ranks too. Defeat by Rockall is inevitable.

● Sponsorship of football clubs has been going on for some years now, providing fans with a steady flow of amusement as Brighton run out with the word 'Nobo' printed on their chests, while every Crystal Palace players' shirt pronounces him 'Virgin' to the nation. However, the best sponsorship deal of recent years is the pairing of Newcastle-based Viz comic with Blyth Spartans of the Northern League. As a result of this deal, Blyth's match programme cover carries a picture of Roger Mellie flanked by the Fat Slags. Inside there is even better news. In a player profile, Blyth midfielder Tony Burgess is asked what he would most like to change about English football. His answer? "Ban Jimmy Hill from *Match Of The Day*". And they say footballers are stupid... ♣

CLAUDIA

Photographs by Franco Marocco

We may have discovered this month's centrefold thigh-high in axle-grease, but Claudia's 36-24-34 charms were still apparent... even under her overalls!

"I've always been a bit of a tomboy," confesses the 20-year-old car mechanic from Caterham. "While all the other girls were playing with Barbie dolls, I was more interested in Action men. And I still am!

"My mum used to try and get me to wear frilly dresses, but she soon gave up. Now that I'm older, I still prefer jeans and a leather jacket – but there's nothing boyish about what I wear underneath."

We can see that, Claudia...

"The blokes at the garage were a bit funny with me to begin with, but it didn't take them very long to see realise that I'm all woman. In fact, stripping for Club was their idea. I can't wait to see the customer's faces when they realise that the pictures on the wall are of me!"

You can bet they'll all be popping in for a quick service too, Claudia! ♣

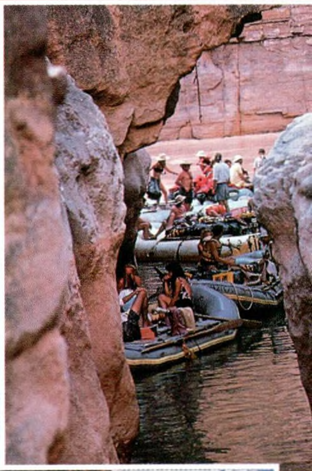
PLAT!

Now some guys like messing about in boats, whilst others prefer boating about in mess. These dafter rafters call themselves 'river runners' and specialise in travelling the entire length of a well known waterway on what looks like little more than a lilo.

In this case, the madmen have chosen the Colorado which in its upper reaches looks more like an open sewer than the majestic river that flows through the Grand Canyon. However, further down there are some spectacular rapids (especially when somebody pulls the chain), 160 in all, dropping as much as eight feet a mile. Some 38 people have died trying to travel economy down the Colorado. In short, get it wrong and you're really in the shit. ♣

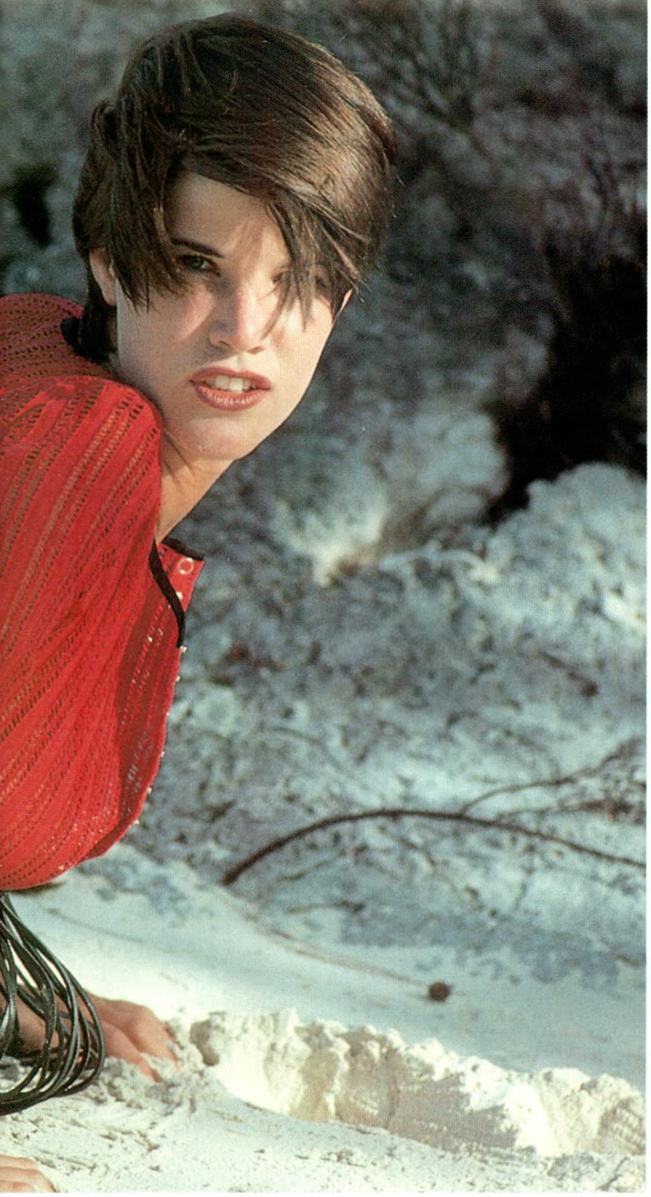


Gail

Photographs by Michael Moore

Bird-brained bird-watchers may get their binoculars in a twist over spotting scrawny sparrows without their plumage; but here at Club we're proud to bring you a real bird of paradise in the shapely form of Gail, who was last sighted back in Vol 22 No 9.

"I bet you thought that I'd flown the coop," giggles the flighty 20-year-old, displaying an untapped streak of comic genius. "Actually I



flew South for the winter and spent a few months sunning myself on the beach in Mauritius improving my plumage.

"I was a bit shy at first about baring my all," confesses Gail, "but I soon got the hang of it. After a week I had so many fellas offering to rub oil onto my back, there were queues right back to the beach bar! I reckon it must have been something in the Ambre Solaire; I asked for Factor Six, but I'm sure I must have got Factor S-E-X!" ♣

WOMEN'S WRITES

Where the girls get down to business

MAKE MINE A STIFF ONE!

'His stiff dick was inside her now. She loved the way it felt; the way the heat and the pulse of his thick shaft twitched deep in the heart of her love-hole. This was bliss. Jeff was trying to savour the moment, letting his tool rest against her cunt walls, willing himself not to start thrusting and holding his orgasm back with iron will. This was what Alison loved almost as much as that moment when he thrusted forcefully and emptied his load deep inside her.'

It was paragraphs like this that were responsible for me deciding that there is more to sex than just taking a dick in your mouth and sucking for all your worth. Of course, there's nothing wrong with *that*; but my best friend, Sonia, has made sex even better and opened my mind to a million possibilities.

My name's Andrea and although I'm only 21-years-old, I've had more than my fair share of guys who have known exactly what a dick was for! But when Sonia read me that passage, I felt my pussy dampen simply as a result of my imagination running wild.

"God, that's really good," I said, leaning over the table to try and grab the rest of the manuscript from out of her hands.

"Hands off!" snapped Sonia, pulling the wad away from my eager grasp. "I'm too shy to let you read the rest of it."

"Well you shouldn't be," I told her. "Jackie Collins has got nothing on you. You've even made my gusset wet just with those few naughty lines." I pulled up my short skirt to prove that I wasn't in the habit of lying about things like that.

"So you are," grinned Sonia, and put her hand over the damp area. "At least I got you horny, Andrea; but then again cold rice pudding could probably get your knickers moist. That's why I love you!"

Sonia got up from the table and casually sauntered around to stand by my side, immediately putting her hand back over my knickers, where she started rubbing very gently. Her breasts, large and full with nipples like little acorns, hung over my face and were barely restrained by the lacy gossamer bra and loose shirt that she was wearing. They really looked magnificent and – strange as it may seem – were one of the deciding factors in me sharing a flat with her. If it sounds weird picking a flatmate on the size of her boobs, then I make no apologies because they really are a sight for sore eyes!

I first met Sonia about a year ago when my boyfriend, Terry, and I were in our local pub. We'd been celebrating my 21st birthday with a few bottles of white wine and were both looking forward to a hot night of fucking, when the barmaid, Sonia, came over to clear away the empty glasses. Her tits caught our eyes and it was as if there was telepathy between us.

Terry had often asked me what I thought of the idea of us both going to bed with another woman, and I have

to admit that I was turned on at the mere mention of it. We'd always have great sex after discussing the idea; I'd have vivid images of Terry's thick prick in my cunt and a tangy pussy in my mouth as we fucked, but the opportunity had never arisen to fulfil our fantasy.

I don't know how we both knew that Sonia would be game for a threesome, but we didn't hesitate in inviting her back to our flat after she'd joined us for a drink at our table. It seemed like the most natural thing in the world to do – the three of us got on so well.

Sonia didn't hesitate in accepting our invitation, and after she finished clearing up at the pub, we ended up discussing our sex lives back at our flat over a glass or two of wine.

"I've always wanted to make love to a man and a woman at the same time," I confessed, the alcohol loosening my inhibitions. "I don't suppose..."

Before I had even finished the sentence, Sonia had stood up and moved over towards Terry. Without even saying a word, she pulled his zip down and pulled out his tool, teasing and caressing the swollen purple head with relish. God, I was so turned on watching another woman giving my boyfriend head that I stood up, lifted up my skirt, revealing my favourite black stockings and suspenders, then slipped two fingers into my knickers and started frigging myself.

As Sonia worked her expert lips around Terry's cock, I started to work up a frantic rhythm of my own, trying hard to come at the same time as Terry... and succeeding! As he bucked and shot what looked like a massive wad of spunk down Sonia's throat, I felt the rush of an intense orgasm flowing through my cunt.

Within seconds, all three of us quickly peeled off our clothes and were naked on the floor of the living room. I greedily took Sonia's pussy in my mouth, having first kissed her to savour the taste of Terry's salty spunk on her lips. Terry's cock had already hardened again and he slipped his tool into my pussy from behind. If this was what a threesome was like, then I was going to be having a lot more of these in the future!

As I worked my lips and tongue around Sonia's moist labia, I could feel Terry thrashing in and out of me like a man possessed. The sensation was too much and I began to feel myself coming again. Just then, Terry shot another load of come and I started shaking as an orgasm shot through me while Sonia's love juices poured into my mouth as she climaxed. Sheer heaven...

Sonia's love juices poured into my mouth as she herself climaxed

From that night onwards, Sonia, Terry and I have had the most incredible sex escapades that you could possibly imagine and some of them are going to appear in Sonia's book – where that naughty passage came from. And if she doesn't get a publishing deal, then I'm going around to see those big knobs in person and suck their cocks so hard that they'll have no choice but to publish and be damned! – *Andrea, Brighton*

AMERICAN PUSSY PIE!

My name is Nikki and I'm a promotions rep for a company that specialises in television and visual media. My job takes me abroad a lot and I've been shagged by quite a few guys in far-flung corners of the world; all of them different and all of them enjoyable.

However nothing compares to Dave; an ex-pat Brit living and working in Manhattan who I met in a cocktail bar during a recent visit to New York. It was my second night there and I'd been taken out by one of the television people that I was working with. To be honest, this guy's slick American lines were beginning to get irritating, and as his words drifted above my head I couldn't help notice a couple of guys in the corner drinking ludicrous-looking cocktails! By the way they were laughing and joking, I could tell they were from out-of-town and before long I ditched my companion and headed off to introduce myself to them.

It transpired that they were both from London and my relief was evident on hearing two recognisable accents; so-much-so that the three of us proceeded to get well-oiled on margaritas! However, one of them, John, had to leave early because he had a meeting the following morning, but I was invited by Dave back to his apartment for a quick night-cap. I'm pretty sure that both of us knew fucking each other was on the cards, and as we jumped into a cab to West 72nd we got involved in a clinch that was so passionate I don't think the driver had seen anything quite like it!

Once inside the doors of his apartment block, Dave told me that the usual lifts were out of order and that we'd have to take the service lifts. We both got in and Dave pressed the button for the twelfth floor. My pussy was so wet that I couldn't resist giving my clitty a rub and – judging by the bulge in his trousers – Dave was ready to burst too!

TAKE A LOOK INSIDE

MAYFAIR

It's hotter, it's steamier but it's still the most sophisticated men's magazine around. For nearly 30 years, *Mayfair* has provided the prettiest girls, most informative features and funniest humour of them all. Today's *Mayfair* is brighter, lighter and packed with even more lovely ladies like Clare shedding their clothes just for you — all for less than the price of a couple of pints! So grab one now! It's the most fun you can have for £2.25!

I pressed the stop button between floors and without saying a word, hoisted up my skirt and pulled my knickers to one side; exposing my shaved and swollen pussy. Dave needed no further encouragement and dropped to his knees and buried his tongue deep into my hole, finding my swollen clitty with ease.

He began to work his tongue around my cunt and I let out a little scream as he eased his tongue between my pussy lips and started lapping up my juices. Within seconds, I felt a torrent of love juices beginning to escape from between my legs, which Dave lapped up with his eager tongue.

I pressed the start button and the lift began to rise as much as Dave's dick, which by now looked so full and hard that I could hardly wait to get my lips around it. We opened the lift doors and without even bothering to pull my skirt down to a respectable length, we fumbled in the hallway while Dave attempted to open the door to his apartment.

The minute we had shut the door behind us, I yanked Dave's zip down and exposed a cock that was quite simply the biggest I had ever set eyes on – and believe me, I've seen a few!

"I've got to get you naked first," gasped Dave. I backed off then and performed a striptease for him; wriggling out of my skirt and pulling my top and bra off, before slipping my knickers off to stand there wearing just stockings, suspenders and high heels. Then I slipped a couple of fingers into my pussy, because I know there's nothing that turns a fella on more than watching a girl frig herself off!

I slipped a couple of fingers into my pussy

Dave's eyes were nearly popping out of his head as he struggled to get naked, but once he was there with a hard-on pointing straight up, I laid down on the couch, turned over and pointed my bum high in the air. "I love it doggy style," I shrieked, opening my legs wider so that he had a priceless view of my splayed pussy.

Dave got behind me and plunged his thick tool into my hole. It's a good job that I was so turned on and wet, because I don't think that I'd have been able to take his length inside me otherwise. He certainly knew what he was doing too, pistoning his cock in and out of me as fast as he possibly could. But what made the whole thing even more erotic was the full-length mirror across the room, and I relished the reflection of myself being well and truly porked. It almost looked like something out of a blue movie!

Dave groaned loudly that he was going to come, then speeded up the pace to a frantic blur and shot his creamy load deep inside me. I'd never felt anything like it – it was sensational!

The rest of the night was spent fucking and sucking in each and every position possible – Dave was a real expert and even taught me a few positions that I didn't think were possible! I spent virtually every night of my fortnight's visit over at Dave's apartment and we arranged to meet again in the Big Apple in a few month's from now... I'll let you know how things turn out! – *Nikki, London*

HOLIDAY BLUES

Playing away from home

HORNY HOLIDAY

My name is Elaine and I'm a 21-year-old aerobics instructor. As you can imagine, I'm in pretty good shape and looking in the mirror before I go to work and seeing a firm pair of tits and a flat stomach makes me feel very sexy. In fact, I usually can't resist slipping a hand inside my knickers and giving myself a quick frig! You wouldn't believe the amount of times I've been late for work at the gym because I've been pleasuring my own body; gently tweaking my nipples just that bit too much and then ending up on the floor, sliding a couple of eager fingers into my juicy hole until I climax!

All the guys and girls that I work with are young, fit and good-looking, so it's always a pleasure going to work. I'm very highly-sexed at the best of times, and there's a willing and able selection of hot, young meat down at the gym. It's the perfect place to work and there have been more than a few escapades in the locker rooms over the couple of years that I have been employed there. I got bent over and serviced with the biggest cock that I've ever set eyes on, and I had my first lesbian experience with a gorgeous woman who came to my classes, when she tongued my clit with such precision that I came faster than I ever have before. God, I've even been fucked senseless by the boss!

Anyway, my best friend Jean works at the gym too and last Christmas we spent the festive season together at my parent's villa in Portugal.

I've been going there every year since I was seventeen, usually taking my girlfriends or whichever lad I was seeing at the time. This year was special though; I was really looking forward to going out there with Jean. She's tall, just under six foot, with lovely long legs, great tits and a mouth that just begs to be kissed. I knew that Jean loved cock as much as I did; we discussed it at work just about every day! You know the sort of thing: how often, how big and what positions – the usual stuff.

On the plane over we spent the whole time discussing how many men we thought we'd up in bed with during our stay and although I didn't know if she had the same feelings, I was damn sure that I wanted to feel her own pussy on my lips!

The villa that we were sharing was beautiful; it was tucked away in the countryside well away from prying eyes and it had a swimming pool – ideal for a bit of skinny-dipping when the mood takes you! We had separate bedrooms, and neither of us thought it would be too long before we'd be welcoming some hot, young stud for a night of passion.

On the first night we headed to the local bar; thankfully it wasn't packed with drunken tourists, but there were enough people there to make it enjoyable. The barman caught my eye immediately, so I waltzed over and started chatting.

His name was James, he was from Edinburgh and had been working in Portugal for about six months. He was absolutely gorgeous, 24-years-old, dark, tanned and muscular with a great sense of humour. He was the life and soul of the party and I immediately got that unmistakable tingling feeling in my pussy just imagining what it would be like to feel his cock pistoning in and out of my cunt. However, he seemed too busy welcoming everybody to be able to get better acquainted with anyone. Enter Paul and Toby...

These two guys were from Cardiff, with lovely lilting Welsh accents and bodies that looked like they took good care of themselves. As the drinks flowed freely the conversation became more saucy, and by the end of the night Jean and I were pretty well oiled and decided to invite them back to the chalet to get stuck into some of the duty free that we'd bought on the way over.

I need some cock and I need it now

After a couple of glasses of vodka and tonic, Toby suddenly took his courage in both hands and complimented Jean on her boobs, which were pretty spectacular by any standards.

Giggling sexily, she grabbed him by the hand and said: "Well, if you want to see more of them you'd better come with me!" With a wink and a smile, she retired to her bedroom, leaving Paul and I grinning at the thought of our two mates bucking and writhing next door.

"If you can't beat 'em, why not join 'em?" I said, touching Paul's crotch suggestively. We quickly headed for my bedroom, where I lay back on the bed, tugging my pants down to reveal my

completely shaven pussy.

"I need some cock and I need it now," I gasped, while unbuttoning my blouse to let my tits fall free. Paul didn't need any further encouragement, judging by the size of the bulge that was straining against the material of his trousers. He slipped out of his clothes revealing a cock that had me drooling. It was so big, and he pulled me down to the end of the bed so that he could fill my hole from a standing position.

The minute I felt that throbbing hard-on inside me, I started to moan softly, quickening my own rhythm to match his frantic pace. Paul was so horny that he shot his first load of spunk within seconds, which you might have thought would have been disappointing. Indeed it would have been, had it not been for the fact that the minute he'd pulled out of me his dick sprang straight back to attention.

Casually fingering my own pussy with one hand, I pulled his dick with the other until it was bobbing up and down in front of my mouth. I licked my lips in anticipation and took the full length deep into my throat, tasting the remnants of his spunk and teasing his purple helmet with delight.

I must have spent a good five minutes working on that beautiful cock of his. All the while I was teasing my own clit, so that the minute I felt my own orgasm approaching I started to move up and down his shaft faster and faster so that as I came I made Paul shoot another load of cum deep into my throat. His spunk tasted amazing, thick and creamy... and there was plenty of it!

The rest of the night was spent in pretty much every position you could think of and when Jean and I sat down to breakfast the following morning, we eagerly swapped notes on our horny night. It seemed like she had a fine time too, getting Toby to come all over her face and tits as well as getting a good rogering three times. God, what do they put in the water down there in Wales?!

I felt the full length of James' cock inside me, pumping hard

We spent the whole of the week with our two horny young bucks, but they had to leave two days before the end of our stay due to work commitments. It was pretty sad to see the back of two such spunk-filled dicks, but it did give us the chance to try and fulfil the fantasy that we'd both been talking about... fucking James!

Our last night seemed like the ideal time, so we decided to go for it and agreed that we'd really like to go out with a bang, literally!

We'd got to know James pretty well during the course of the week and after the festivities started to wind down about three in the morning, we asked him to come back to our villa because we had a present for him to thank him for being such a good host!

Once the door had closed behind us, we told James to sit on the bed and to close his eyes. With his eyes closed, Jean and I put into action the plan that we'd hatched earlier in the day, and slipped off the dresses that we'd been wearing to reveal stockings, suspenders and nothing else!

"Open your eyes," I commanded. James' expression was a sight to behold. His eyes almost popped out of his head and his dick nearly came out of his pants. I rubbed my tits provocatively and giggled: "Are you man enough to take the two of us at once then?"

James was naked before you could blink, bending Jean over the bed to take her from behind while I got on

the floor and licked at his dick as it pounded in and out of her love hole. The sight of her mound sopping with pre-cum got me so horny that I couldn't resist teasing it a little with my tongue. Jean let out a little sigh which signalled to me that she was more than willing to share some hot sex with another woman, and once the green light was given – that was it.

James shot his spunk into her hole and withdrew, leaving me free reign to start lapping at her pussy. I don't think I've ever been so turned on in all my life and my own pussy was now dripping. As I worked expertly at Jean's lips, I felt the full length of James' cock inside me, pumping hard! I lapped furiously and then felt James shoot his load, which made me tongue Jean's pussy even harder until she exploded and came right in my mouth!

The rest of the night seemed to pass by in a sex-filled blur. James was a real stud and a half, capable of getting endless hard-ons and I lost track of the amount of times he came.

But to be honest, great as he was, it was Jean who really turned me on. Considering that Jean had never had sex with a girl before, she certainly knew how to please. We even ended up going outside and having a dip in the pool... not to mention a quick shag too! She gave the greatest head that I've ever had, as I sat on the side of the pool with my legs wide open. She moved her tongue expertly over my pussy and diving deep inside me with darting movements that gave me little stabs of ecstasy every time she did it. I don't know how many times I came over the course of that night, but it was nine in the morning before the three of us finally fell asleep!

The flight home wasn't the most comfortable that I've ever had, but boy was it worth it! My swollen pussy certainly told me that!

I've had sex with Jean many times since that night and we both laugh when we say that we've got a lot more to thank James for than making a mean margarita! And as if you haven't guessed, we've already got next year arranged and we're going back to Portugal! Well, you can't really blame us, can you? – *Elaine, Birmingham*

COUPLES CONFESS

Share and share alike

WHAT A RIGHT CARRIE-ON!

If you'd have asked me this time last year whether I'd be reading girlie magazines and getting turned on whilst doing it – let alone sending in a story myself – I'd have been horrified. I just thought it would never happen that I'd become a bona fide sex maniac... but I'm very happy to say that it has.

I suppose I should really introduce myself, if I'm going to lay my whole sex life bare for all your readers!

My name is Carrie, I'm 23-years-old and I live in Bradford. Although I'm quite short, I have a very full figure, with long blonde hair – and yes, a blonde minge too! When I was younger I was a bit embarrassed by my lush curves, but now I've learnt that guys enjoy them, why shouldn't I? I'm 38-24-36, which when you are only 5' 3" looks a little odd – but I can promise you that since my new-found liberation, I've been revelling in what my figure can do to guys.

As I said, this time last year I was a real prude – in fact, would you believe that I was still a virgin?! I guess I just never met the right guy, though I have to say that I often found myself lying in bed at night, playing with my pussy and wondering what it felt like to be filled by a thick cock. Things soon changed for the better though, when I started a new job in an office and I made a whole lot of new friends. In more ways that one...

The guy who worked at the next desk to me was friendly right from day one, and I could tell that he fancied me like mad. Although David wasn't really my type, I liked him a lot and loved the way he used to tease me all the time about being 'a little pocket Venus' and so on. I knew he was curious about my love life, and one day when I'd had a few too many at the pub at lunchtime, I let it slip that I was still a virgin.

He couldn't believe it. "A gorgeous girl like you ought to have guys queuing up to pleasure your little pussy," he told me. I blushed a little as he said that, but I could feel a real tingle ripple through my body, thinking of a cock or a tongue inside me. I blurted it all out then – how I was used to pleasuring myself, but how sex had somehow passed me by.

"Aren't you even curious about it?" David asked, and I had to admit that I was.

"I just hate all that pulling that you have to do; standing around in a nightclub trying to get chatted up and so on," I admitted. "I just wish I could get it all over with and enjoy my first time without all the hassles."

David looked at me strangely for a minute. "I could fix it up for you, if you'd like," he told me. And I think he was serious. I had to think about it, but after only a few minutes I found myself accepting his offer. I arranged that he should come over to my place for dinner one night a few days later, as I knew my flatmate would be out.

"I'll bring a couple of mates," he said. And the more I thought about that, the more excited I became. Not only I was going to lose my virginity, but I'd have an audience too. I'd never felt so sexy and turned on before, as I made my plans for that night.

I must admit by the time David rang the doorbell, I was more than well-lubricated. I'd set the table for the meal I'd cooked, but I didn't think I was going to be able to eat a thing. I was so excited, I could feel my silky dress moulding to my curves as I paced the flat waiting for David and his friends to arrive.

He just kept on tonguing my wet cunt until I came

It was all a bit of a blur for me when the three of them arrived, to be honest. I was trembling with excitement and arousal as I met Joe and Neal – and I took an instant shine to Joe. I'd never known myself to feel in such a state of arousal; my nipples were pointing out like coat-pegs and I could feel my cunt frothing with juices.

I wondered who was going to make the first move towards taking my virginity, but I decided to wait and let the guys take the lead. They were teaching me, after all. In the end, I got lucky, because it was Joe – the guy I fancied – who made the first move. We were on the dessert course when I spilt just about a whole bowl of the stuff all over myself (by accident, obviously!).

Of course, it just made my white dress go see-through. The whole front just went transparent in an instant, and all three guys got a really good ogle as they watched the dress plaster itself to my big boobs and saw my nipples extend even further. My pussy felt as if it was on fire as I saw how they all looked at me, lust in their eyes.

I stood up then, and went to the middle of the room; feeling the sticky material of the dress coating every contour. I posed there in the soft light for them all, running my hands over my hips and boobs, willing one of them to just come over and fuck me. At that point, I didn't really care which one it was, I just wanted to feel a hot, thick cock inside me.

Joe approached me, then gently stripped off my sodden dress, leaving me standing there in just my skimpy bra, hold-up stockings and little knickers. They were already soaked through with my own juices. The other two watched as he slowly bent over and pulled down my panties with his teeth, throwing them into a soggy, crumpled heap in the corner as he gently put his hands on my buttocks and pulled my pussy towards his tongue.

A guy's tongue was inside me for the first time, and I breathed sharply as Joe started to fervently eat me out; his lips moving on my clitty and making me writhe around with arousal. I gripped his head and pressed as close as I could to him as he brought me to my first delicious orgasm.

And what a feeling! I could hardly control the shaking of my body as I came, but Joe didn't stop there. He just kept on tonguing me until I came – I thought I was never going to able to stop. Eventually, my legs wouldn't hold me and I sank to the floor panting; my legs parted and my pussy gaping and exposed for all the boys to see.

I was now desperate to feel Joe's cock inside me, though I must say that I was still a little nervous at the thought of my first fuck. I needn't have worried, though – I didn't feel anything except pure pleasure as Joe's thick, long cock slid slowly inside me. Almost of their own accord, I felt my pussy muscles clenching to accommodate him. I can't even begin to describe the sensation when he started to pump into me as far as he would go, his hairy balls banging against my sensitive pussy lips as his thrusts became faster and harder. By the time he gasped and unloaded his hot come from his balls, I'd managed to climax twice – something which I'd thought only happened in the pages of *Cosmo*, not in real life.

But this was so real for me.

I'd just lost my virginity to a gorgeous guy – and in front of a willing audience too! But the best thing was that now I'd had sex, I wanted more. I just felt completely randy – my heart was pounding and my legs just opened up even further. I don't know what came over me,

but all that I knew was that I needed another cock inside me; a pumping cock all hot and thrusting up my pussy!

Reaching down between my legs, I parted my sticky blonde minge and held my pussy lips open for the two other guys to see (Joe had gone to clean himself up in the bathroom). It was an open invitation for them to come and fuck me themselves. I just wondered who would be the first one...

David diffidently asked if I would mind if he took a turn. "I don't want to push myself forward," he explained, "but I've always fancied you, Carrie, you know that."

I parted my sticky blonde minge and held my pussy lips open

"Only if you do me from behind," I told him, eager now to try as many new positions as I could. I wanted to feel what it was like to have a guy's hairy chest pressing into my smooth, fleshy buttocks, creating a delicious friction as he pumped into me. To show David how eager I was, I put myself into the doggy position, my back arched so that my bum cheeks were pointing high in the air; my fleshy pussy exposed for his eyes. My big boobs were hanging down, the nipples all hot and aching. I was so excited, I could hardly breathe with the excitement of it all. When David slowly slipped his shaft between my pussy lips and up as far as it would reach, I almost fainted with the pleasure.

His sex rhythm was different to Joe's, but it felt even better. He varied the speed, sometimes pumping hard until I thought he was about to come and then moving his hips back to meet my thrusts, before slowing down again and building up the pace once more.

I leaned forward onto my forearms then, closed my eyes and came again, thinking that David was about to climax himself. But how wrong I was – he was merely teasing me. He started the slow-quick-slow rhythm all over again, making me moan with delight. I just raised my head again for a second – and found Neal kneeling in front of me, pulling out his cock and about to feed its length into my open mouth.

This was even better than I'd thought possible. I had the tangy hardness of Neal's cock to suck on; my tongue playing all over his balls and along the sensitive underside, while behind me David was speeding up, holding my hips and pulling their full weight back onto his cock over and over again. He spilled all his come just a few minutes later, obviously really turned on by the sight of me sucking his friend's cock as he himself was fucking me. I could feel it pumping out inside me, and when he pulled out his cock afterwards, my minge was brimming with spunk.

Neal, who'd obviously been turned on beyond endurance by watching me getting fucked twice, couldn't hang on for long. It was about two minutes before he reared up on his knees and pushed his cock right back into my throat as he shot his load. I swallowed it down in one gulp, wishing there was more where that had come from.

What a revelation that night was for me. From being a virgin with little interest in sex, I've now become so eager for it that I physically ache if I don't have sex every day! Not that there's much shortage of it these days – David has been procuring all his male friends for me, and I have to admit that I've been revelling in trying them all out. His one criteria is that he wants to watch and join in, and I can't say I've got any objections to that. In fact, he's watching me write this now, and I know that I'll be getting a seeing-to in just a couple of minutes! – *Carrie, Bradford* ♣

nikki

Strange though it may seem, not every girl in the world likes sex. In fact stunning 19-year-old Nikki here doesn't like sex at all — she LOVES it! "I'd run over hot coals for a good session between the sheets," she reveals. "I love everything about sex, from the warm, damp feeling in my panties, to the sensation of having a hard cock pushing at the back of my throat; I love the sound a girl makes when

you lick her clitty for the first time and the noise a guy's dick makes when it slides in and out of my sticky pussy. Hell, I even love the smell of sex; the smell of my own come on a cock is enough to give me a natural high!"

Cor blimey! Why can't all girls be like Nikki, eh? "They would be," answered the bedroom-eyed babe, "if I got my hands on them..." ♣

Amelia

Photographs by Toni Flynn

It's a little known fact that our photographers roaming every inch of this green and pleasant land to bring you the most seductive, sexy and downright shaggable girls that have ever existed. It's a back-breaking job, but the rewards are plain to see... and Amelia is one of them.

“Wow! What a compliment!” purrs the 19-year-old from Caterham. “ I was

spotted at the fruit and veg counter at Sainsbury's, you know. I was just getting some things in when this guy just came up to me and said he could get me into a magazine! He asked me what I did and I explained to him that I'm studying French at college," gushed the bilingual beauty. "Then I told him that I was buying some food for a tasty French dish that night.

"'Oh, Coq au vin?' he asked. No, silly, I said, His name's Pierre actually!

"Don't you think that's funny?"

In a word, no. So stick to taking your clothes off Amelia and leave the crap jokes to us, okay? ♣

sharon

Bless her little cotton socks... Sorry, guys, but sweet Sharon is not as innocent as she looks. "I may dress that way," giggles the 19-year-old blonde from Bournemouth, "but ever since the moment I discovered sex I've been a very naughty girl!"

Photographs by Ralph Medland

So hooked is our Sharon that when she doesn't have someone to play with, she plays with herself.

"I soon learned what sexy fun teasing my own body for hours on end could be," she says, her fingers automatically straying down toward the

waistband of her panties. "I love squeezing my tits and dipping a finger into my pussy as I fantasize about a great-looking guy doing it for me. That makes me come on my hand every time...

"Of course it's not quite as good as the real thing, but until the next man comes along, it stops me exploding!" ♣

COMING IN club

There's a real treat in store for you in next month's pulsating issue of Club International – a girl with one of those really nicely trimmed Vee-shaped pussies (see above). Gawd we love pussies like that; all neat and pink and cute and kissable. So don't be a fool and get run over by and car and miss out on the next issue of Club – it could make you very happy. Thank you.♣

continued from page 13

slowly lowered herself onto my length. She had a very tight cunt and if I hadn't come two minutes earlier, I think I would have shot my load right there and then as I felt her wet pussy slowly drawing my prick inside her.

She started to move up and down and I reached around and unclasped her bra, freeing her wonderful tits. My lips instinctively moved to meet her nipples and just as I was starting to suck hard, the door of the toilets swung open and I heard two voices. I recognised one of them as Belinda's, and froze as she opened the door of the cubicle next to us, entered and locked the door. All the time she continued talking to the other woman. "I don't know where Andy has got to since we left the table," she said. The other woman assured her that I had probably gone outside for some air – little did she know!

All this time Kathryn and I remained perfectly still, not even daring to move. It was an incredibly horny situation and was obviously too much for Kathryn to take. As Belinda sat down on the loo next door, Kathryn started to move up and down on me, grinding her pussy down on my cock. I couldn't do anything to stop her without making a noise!

Luckily after a few minutes, my girlfriend and the other lady left. Once the door was closed, Kathryn and I went into a frenzy. I grabbed her by the waist and really started pumping into her vigorously as she moved up and down on me. She was moaning loudly as my mouth sucked hard on her nipples. It was obvious that we couldn't hold back for very long and I spurted into her as she came with a massive orgasm.

I couldn't remember ever feeling so horny in my life. We got dressed and tidied ourselves up and Kathryn gave me a big kiss and whispered, "I'm looking forward to next Christmas, aren't you?" I nodded frantically.

With Kathryn as lookout, I left the toilets hurriedly and rejoined Belinda. Kathryn arrived about five minutes later, but didn't speak to me for the rest of the night; although she'd occasionally look over and wink. What a woman! – *Andy, South London*

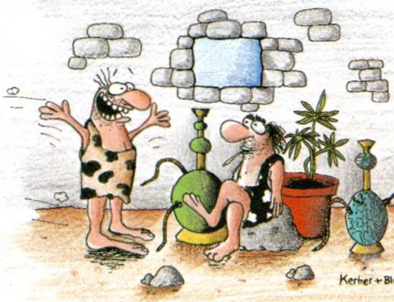
BEACH PARTY!

I'm a 19-year-old bisexual woman and my girlfriend, Helena, and I are both great fans of Club. We love the naughty confessions and stories and, of course, all the gorgeous women that regularly appear in the magazine.

I met Helena in Greece last year when I was on holiday with my boyfriend, Peter (who I later ditched!). I first noticed her sitting beside the pool and I was fascinated by the lush curves of her 36-24-34 figure. We got chatting and arranged to meet to meet for a drink in the hotel bar later on that night. Just the thought of running my hands down over her hips and over her ample breasts got me so worked up, I spent the afternoon in the shower soaping up my boobs and teasing my aching clitty with my fingers.

By the time I met her, I was turned on that I couldn't resist pulling her straight onto the dancefloor for a slow smooch, and I knew by the way that she was grinding her crotch against mine that we would end up in bed together that night.

We ended walking along the beach back to our chalets, and when Helena took my hand I turned to face her and we kissed full on the lips. We both dropped down onto the sand; caressing and touching each other's bodies, and when Helena pulled up my knickers and saw my shaven snatch (I never wear any underwear!), she went absolutely crazy!



"Moop... Moop... great news, they've just discovered fire!"

She kissed and licked her way up the insides of my thighs, spread my legs wide and then went down on me. It was incredible to feel her wet tongue slowly circling my labia, and I let out a gentle moan. Helena took this as her cue to get stuck in and she eased my hips off the sand so that her tongue could penetrate me even more.

"Lick me harder," I whispered, clamping my thighs around her head. "Make me come!" She certainly did that! When she eventually did surface for air, her face was covered in a wet sheen and I kissed her passionately, savouring the musky taste of my juices.

After that night, Helena and I met whenever I could get away from Peter – which was just about every single night! We kept in touch when we got back to England, but I soon missed having Helena around, so I came up with the obvious solution and she moved in here six months ago. Now that's what I call a happy ending! – *Patricia, Leicester* ♣
